"The House of Glick" . . .

Not the oldest, nor the largest—
But over 30 years' experience in growing
Dependable Tomato Seed
on a precise, exacting Quality and Purity basis

**SPELLS GREATER PROFITS
FOR LEADING PLANTERS
YEAR AFTER YEAR!**

Glick's Improved Strains are rating "TOPS" in
Governmental Tests through-out the Country.

Note: — The Florida Agri. Exper. Stations at Belle Glade, Gainesville, Homestead, and elsewhere are supplied with Glick's Tomato Seed for their trials.

Glick's Seed is Certified—of course!
Not a single acre on the Glick's Seed Farms has ever been rejected by the Dept. of Agriculture!

Glick's Improved Rutgers—Glick's Improved Marglobe
Glick's Improved Grothens—Glick's Improv'd Pritchard
Glick's Improved (Pink) Colco Globe

Each variety grown isolated from all others to insure
absolute purity. Particulars Free.
